If you would like to have your wedding at Canton Lutheran Church, the first thing to do is contact Pastor Tony and check with his schedule. If you're a non-member, Pastor Tony will also need to agree to perform the ceremony. Once you are on Pastor Tony's calendar, the next step is to get on the church calendar by submitting your deposit and reservation form. Once these two items are completed, the couple will want to contact the Wedding Coordinator and organist (if desired) and set up initial meetings in preparation for their wedding day.

Ceremony Planning Guide

To be married in the church is to recognize God's intentions for marriage and to affirm those intentions as your intentions for your marriage. The marriage ceremony is a worship service, but there are many ways you can make it uniquely yours. Below is a standard Order of Worship and we've included spaces for you to discuss your plans for specific items in the service. You will want to discuss these and other ideas with the pastor and wedding coordinator.
